SPECIAL ALERT!

ANNUAL GIVING CAMPAIGN

"In this life, we cannot do great things. We can only do small things with great love."

— Mother Teresa of Calcutta

A PLEA FOR HELP! PLEASE SUPPORT THE 2008 ANNUAL GIVING CAMPAIGN...
This campaign is crucial in securing grant funding, which, in turn, keeps our tuition affordable and awards us third party funding sources for our students' benefit and provides better equipment, state-of-the-art technology, and up-to-date tools. We cannot stress enough that it is NOT HOW MUCH YOU GIVE, BUT THAT YOU JUST SIMPLY GIVE.

100% family participation reflects our parental support of the school and it's mission. It is EXTREMELY difficult to secure grant funding when a potential funding source does not see the fiscal support of the school families... especially in a challenged economy. Organizations such as the Knott Foundation and others look very closely at the PERCENTAGE of family giving (and NOT the dollar figure) before deciding the select few that will receive their financial support. So, PLEASE, consider your Annual Giving Campaign gift today... a Catholic Education is a priceless treasure and gives a better return on investment than almost ANY other in today's market. God bless you for your kindness, support and generosity!
